**SEP**  
Strategic Enterprise Programme - Sierra Leone

SEP Investment Ltd., a social enterprise registered in Sierra Leone, is producing the Flamingo Water Pump at Rokel, Freetown.

**BASED ON A SMART DESIGN FROM THE NETHERLANDS, THIS MANUAL WATER PUMP IS:**

- Easy to afford, - 200 euros, a very competitive price
- Easy to operate - manual, with a smooth wheel
- Easy to maintain - with simple, local parts
- Off-grid - independent from electricity
- Social – locally produced by a social enterprise

We promise that you would enjoy the flamingo rope pump to the best of your use!

Our offers:

1. Pump installation.
2. Water well maintenance and pump installation.
3. Complete water well digging, casting and installation of your water pump!
